

## 32nd Australia New Zealand Econometric Study Group (ANZESG) Meeting

**Date:** 9 February 2024

**Location:** The Treasury, 1 The Terrace, Wellington

Dear colleagues,

### Call for Papers NOW OPEN

The ANZESG is hosting its next New Zealand-based meeting on 9 February. The submission deadline is **Friday 24 November 2023**, for full papers or extended abstracts. Please make submissions to the following email address: [john.mcdermott@motu.org.nz](mailto:john.mcdermott@motu.org.nz).

Subject to acceptance, which we will advise by **Friday 1 December 2023**, full papers will be required by **Friday 19 January 2024**, so they can be made available to discussants.

The conference registration fee is NZD\$125, for which we will provide the details for payment by direct credit. The fee covers morning tea, lunch, afternoon tea and a meeting dinner. Note that registrations for attendance only are also welcome.

We will present awards to young/emerging econometricians based on their research and presentation at the meeting. To qualify for an award, researchers should either be working towards a PhD or have completed doctoral research within the past two years. Please let us know when you submit whether you want to be considered for these awards.

Please circulate this email and the flyer attached to anyone in your department or institution interested in attending the meeting, or being added to our mailing list. The information is also available on the meeting webpage at

<https://www.motu.nz/about-us/public-policy-seminars/events/2024/>

We look forward to welcoming you to Wellington in February. Thank you very much for your continued support and interest in our meetings.

Sincerely,

John McDermott, Christie Smith, and Peter C.B. Phillips
