Lecturer: Strategic Management	2021-2023

University of Otago (New Zealand)

Lecturer: Strategic Management	2018-2021
--------------------------------	-----------

Virginia Tech (USA)

Fulbright Scholar	2016-2017
-------------------	-----------

EDUCATION

National University of Ireland, Maynooth

Ph.D in Strategic Management	2018
Professional Certificate in Teaching and Learning in Higher Education	2016
Bachelor of Business Administration	2014

RESEARCH AND TEACHING INTERESTS

Research: interplay of competition and cooperation between firms (e.g., strategic alliances, joint ventures, other interfirm relationships), cross sector partnerships, factors affecting various dimensions of organisational performance, including knowledge and innovation outcomes, competitive positioning and financial outcomes, government support for business R&D.

Data and methods: econometric analysis of panel datasets constructed from archival sources, often supplemented and/or informed by semi-structured expert interviews

Industry settings: research and development-intensive industries, including semiconductors and high tech electronics, social and nonprofit sectors

Teaching: strategic management, innovation, entrepreneurship, sustainable business
